Xn Leisure

29th June 2017

David Harris Managing Director

Xn: Business Summary

- Established over 40 years ago
- Based in Abingdon, Oxfordshire
- Deployed into more than 800 UK sites
- 57% of customers are local authority and trust
- Online Joining, Online Booking, Membership Management and Access Control form the core parts of the Xn Leisure Management Solution (LMS)
- Integrations with 3rd party solutions including CRM, University systems, Library systems and ReferAll

Xn: ReferAll

- Founded by Mike Carey and Stuart Stokes in 2009
- Stuart is a Public Health specialist understanding complex medical referral schemes
- 171 public health services use the ReferAll software, with over 155,000 referrals in their system
- The ReferAll Xn integration allows GP's to seamlessly refer patients into Leisure, creating a referral membership to any leisure centre using the Xn LMS platform
